

# DOVE

## YOUTH DEVELOPMENT

**To date we are halfway to our goal of \$4,000** to sustain our food program expansion for June, July and August! These funds we are raising are to support our families during our mandatory closure to ensure they have proper cleaning supplies and food. Thank you to all those who have spread the word and contributed thus far. We are striving to reach our goal to ensure our families are taken care of during this trying time. To continue helping us in reaching our goal click below!

[I want to help!](#)**GRATITUDE TO THE DOVE SUPPORT COMMUNITY!**

It's amazing to see how the world can come together during hard times. All of us feel some sort of impact and continue to strive to make things better for ourselves, loved ones and the world around us. You're a part of our Dove support community - helping us serve more and more children and families: donors responding to immediate needs, recurring donors that keep our service steady and partnerships with organizations that share our mission to empower the poorest of the poor.

**A special thanks and shout out to our partners at The Dominican Starfish foundation**, a local nonprofit in Puerto Plata that graciously helped us in fundraising for May's food program. With the outreach the Starfish foundation has, we were able to continue to provide triple the amount of food to each of our families on May 25th. Our families are so grateful and touched by your generosity.

Reflecting back on some **amazing moments** we cherished with our children, this is one of our favorites – supported by another of our partners! Our 2019 Christmas celebration was held at **Outback Adventures DR** which is a local adventure tour operator in Puerto Plata. The kids had a day filled with many laughs, smiles and dancing. **We are looking forward to the better days where we can re-create these times and make new memories with our children at Dove.**
